ATTENDANCE & ACADEMIC POLICY

All Veterans receiving educational benefits while attending WTC are subject to the general policies and procedures of the school and the specific requirements of the Veterans Administration. These specific regulations are as follows:

1. Student must be under the direct supervision of the Instructor at all times and be enrolled as a Full Time Student. Student's conduct must be in accordance with the school conduct code.
2. Student must maintain Satisfactory Academic Progress (SAP) as defined in the WTC Student Handbook. A student will fail to meet satisfactory progress if they receive a grade lower than a "C" for two consecutive months. This will result in the student being terminated from veteran's benefits. The student will be recertified for educational benefits after maintaining satisfactory progress for two full months.
3. Veteran students are required to attend all classes. Veterans must complete at least 80% of the scheduled program hours each month. If a Veteran does not maintain 80% each month, they will be terminated from receiving VA benefits. Benefits will be reinstated upon maintaining 80% attendance for the following month, if at the end of the following month, the veteran is in compliance, benefits will be re-instated.
