## SAFETY & SECURITY EVERYONE'S CONCERN

Cooperation and involvement of teachers, students, staff and visitors is absolutely necessary to ensure maximum safety. All persons must assume responsibility for their own safety and security of personal belongings. No security plan can attain maximum effectiveness unless everyone contributes to making it work. - Always lock your car. Lock valuables in your trunk.
- Do not loiter in the parking lot.
- Be sure to mark or label all property.

### If you are on campus at night, take the following precautions:

- Always walk in groups or with at least one other person.
- Avoid working alone in a classroom or isolated location at night.
- Choose the most lighted pathway and stay on the sidewalks.
