WITHLACOOCHEE TECHNICAL COLLEGE CONTRACT

This contract is between Withlacoochee Technical College and

Student Name (Please Print)

I understand that the goal of Withlacoochee Technical College is to help every student receive a quality education. This contract is intended to help me fully understand what is expected of me to succeed at WTC.

To be successful, I understand that I must perform well in three areas. These areas are:

- Attendance
- Behavior
- Academics

To be successful, I realize that I must:

1. Attend school every day.
2. Follow all school rules and policies and show the proper respect to authority.
3. Have no discipline referrals.
4. Maintain "C" or better in all classes.

I am aware that if I have excessive absences or receive a grade of a "D", I will be placed on probation or may be withdrawn. If while on probation, attendance or grades do not improve or I receive an "F", I am aware that I will be withdrawn from WTC. See Student Handbook for additional information.

I have read and fully understand what behaviors I must exhibit. I agree to be responsible in meeting all the terms of this contract. I realize that this will be accomplished by my wise choice of friends, my commitment to myself and my future, and my involvement with my school. Failure to comply with the terms of this contract will result in being withdrawn from the program and from WTC.
